COMPANY OVERVIEW

NEXA UNIVERSAL SUPPLIES LLC is a Florida-based distributor specializing in office supplies, personal protective equipment, industrial safety products and cleaning supplies. We serve federal, state and local government entities, as well as private-sector clients, with agile and reliable logistics solutions that keep operations stocked and compliant.

CORE COMPETENCIES

- ✓ Office Supplies Distribution
- ✓ Industrial Safety & Specialized Accessories
- ✓ Facility Supply Provisioning for Government
- ✓ Personal Protective Equipment (PPE)
- ✓ Cleaning Products & Chemicals
- ✓ Nationwide Logistics & Distribution

DIFFERENTIATORS

- Single-supplier portfolio** A comprehensive portfolio combining office supplies, PPE, industrial safety and cleaning products under a single supplier, simplifying procurement management for our clients.
- Streamlined procurement** Direct sourcing relationships ensure rapid response times and consistent product availability for urgent operational needs.
- Operational continuity** Dedicated focus on operational continuity across diverse government, administrative and industrial environments.
- Agile organization** Responsive customer service, customized solutions and flexible engagement models aligned with each agency's requirements.

QUALITY COMMITMENT

We maintain rigorous quality assurance through supplier verification, product documentation and delivery tracking systems. Every item meets manufacturer specifications, with complete documentation supporting regulatory compliance requirements.

PAST PERFORMANCE

As a new entrant to government contracting, we bring proven commitment to quality delivery and operational excellence from our commercial foundation. Our capacity to scale service delivery, maintain consistent supply chains and provide agile solutions positions us for successful public-sector engagement. Commercial references available upon request.
